

Grand Knight Message

Thank you golfers and sponsors:

The Knights of Columbus are excited to host this year's golf outing in partnership with Misericordia Nursing & Rehabilitation Center ... the only Catholic nursing & rehabilitation center in York.

This is a pivotal time for Misericordia. They have raised over 1.6M (goal 2M) toward the construction of a 7-million-dollar project.

Through the continued support of events like this golf outing, Misericordia will be able to renovate and update their physical plant to further enhance the lives of their residents.

As the only Medicare "Five Star" rated facility in York, the Knights of Columbus Council 6353 are proud to support such a highly rated facility serving York County residents.

We have planned a great outing for you to enjoy fellowship, support a great cause and meet new friends.

Please be a Sponsor!
